What are we supporting?

It gives us great joy and excitement to let you know what's happening in the Bunker Ministry. Eight years ago, The Bunker decided to add missions to their program to challenge the young people more.

Through prayer and God's provision, He has provided people, who contributed financially, and young people eager to learn more about God in their walk with Him. We partnered up through prayer and financial support to help build a Bunker in Puerto Rico with a local church in Fajardo. We were able to help financially but in return this Church, used by God, helped make an impact to our Winkler Bunker kids.

This is how the story goes. God planted the seed in the Bunker about a mission trip and we prayed to see how it would work here. In the mean time, God planted a seed in the Fajardo Church in Puerto Rico of how to reach the community in a different form. While that was happening, God planted the seed in a volunteer of the Bunker to start this and God finished it by planting the seed in people's hearts to help financially for the kids to be able to go and a Bunker building to be built in Puerto Rico. This is how we knew God was in it. He provided the answers and the kids to make mission trips with the Bunker. It's awesome to learn about God's love, but it is more powerful when accompanied by an action. The kids have to complete three parts in order to go. First, they had to train through outreach locally. Second, get a job to help with the finances. And last, get trained about evangelism and who Jesus is to them. Through time, the impact this Church made was phenomenal. We saw hearts, attitudes, and lives change, and the love for God get stronger.

What is EtherLAN?

EtherLAN is an event that was started by a group of men and women who enjoy PC gaming, who started this fundraising ministry to reach out to the people of the PC and console gaming world in this community. Our goal is to raise awareness of the Bunker kids, their mission trip, the second Bunker that is built, and to bring the gospel to anyone. We are looking for items to raffle off to those who are participating in the fundraiser, but those who prefer to support financially to run the event is welcome as well. We would appreciate any support you choose to give.

We thank everyone for their help. Every bit of support helps The Bunker and their missions abroad.
